

SANDEEP AGGARWAL'S TOP 10 RULES

- 1 Do not take 'No' for an answer
- 2 If you can dream it, you can fulfill it
- 3 When there is a will, there is a way
- 4 When regret of not doing something is bigger than anything you are willing to give up, you have the answer
- 5 Fortune follows the brave
- 6 Power of prototyping and learning from mistakes have to be hard wired in entrepreneurs
- 7 Better to put efforts and fail, but not putting efforts or fear of failure is not acceptable
- 8 Entrepreneurism is real test of one's conviction
- 9 Time and tide wait for none, so speed to market is an absolute must
- 10 Entrepreneurialism is the most lonely choice of profession
